To Whom It May Concern:

This letter is written in support of Redeeming Grace Church and the building of their sports field. Judson ISD and I believe in the importance of having facilities and areas of recreation for our community. In an effort to keep our youth involved in a positive manner we need for our community to have additional sports fields so the youth can engage in activities that will lead them to develop positive character traits. By having a sports field, the youth of the community will be able to participate in structured sporting events that lead to them knowing how to build sportsmanship.

Judson ISD is in full support of Bishop Brent M. Bryant, Sr. and Redeeming Grace Church to have a sports field. If I can be of further assistance, please do not hesitate to contact me.

Sincerely,

Jeanette Ball, Ph.D.
