July 19, 2022

To Whom It May Concern:

Please accept this letter as the highest recommendation for the Larck-Scott Community Development Sports Field in Bexar County, Texas.

As Commissioner, I recognize the immediate need for increased recreation and wellness facilities, alternative entertainment options for our youth, and safe amenities for adults and families within Bexar County. The Larck-Scott Sports Field helps to satisfy this need.

I furthermore encourage community partners, corporations, and private citizens to participate in the change and growth within our County by contributing to the success of this new development. I am committed to doing the same.

Larck-Scott is a 501-c3 nonprofit organization founded on the principles of community advancement and safety, education, and wellness. It is my pleasure to partner with them on the advancement of this structure and it is my hope that you will, too.

If you have any questions or I may be of further assistance, please contact my office at 210-335-2614.

Always your voice,

A handwritten signature in cursive script that reads "Tommy Calvert".
